

How we bring your solutions to life

## Sustainable Choices

Our dedicated sustainability experts ensure we have sustainable, compostable or recyclable solutions for every state, fit for an evolving regulatory environment. It means sustainable choices today and the peace of mind you'll be ready for whatever tomorrow brings.

Over 50 years' experience partnering with the best in the industry.

## Innovation

Differentiation is imperative to every aspect of your business. That's why we take proprietary global takeaway food packaging insights, paired with Launchpad™, our specialist in-house packaging design agency and in-house R&D lab. Launchpad drives innovation and growth exclusively for our customers; through bespoke design, materials science, cost engineering and sustainability. Partner with Detpak and be differentiated in a busy market.

# Assured Supply

We've built a global production network with owned manufacturing in seven countries, supply contingency across every product category, and a dedicated global sourcing team. So, when you partner with Detpak, you can rest assured packaging will never be your weak link as you grow.

## Dedicated North American support, backed by global capabilities
