AUSTRALASIAN RECYCLING LABEL

The Australasian Recycling Label (ARL) is a new labelling system for Australia and New Zealand for customers to best understand the end of life options for their takeaway packaging.

The Detpak GO Range is one of the first disposable packaging ranges to feature the ARL "Recyclable" symbol. Once food scraps are removed, the GO Range can be easily recycled through kerbside. To learn more about the ARL visit www.arl.org.au
