

SMALL MINING BAGS

Our small Flat Mining Bags are ideal for collecting soil samples. Using either a High wet strength paper, perfect for wet samples, or uncoated paper for dry samples, our mining bag is durable, sustainable and recyclable once the tin-tie has been removed. This bag breathes well and can easily be sealed with a tin-tie.

Designed to suit your needs - we can develop specialty flat and satchel bags to meet specific needs, whether that is coll...
