

10KG SOS CHARCOAL BAGS

Our 10kg BBQ Fuel Bag is perfect for allowing charcoal to breathe and dry out following pellet formation. The quality bag construction is compatible with automated filling lines, including Fawema baggers, straight sewing or crepe and sewing closures. This bag's strong construction is designed to cope with the angular nature of formed BBQ briquettes, with an SOS block bottom allowing this product to sit upright on a shelf. This bag is also recy...
