## Detpak

Introducing our new range of Market Trays, recyclable Kraft board packaging for produce and market foods. From fresh fruit and vegetables like tomatoes, corn, leafy greens and stone fruit, to market and gourmet delights like dried nuts and fruit, these trays are versatile with an attractive rustic look, to create that hand-picked feel. The trays are recyclable and compostable and can help you move away from single use plastic or foam packaging. Our Market Trays offer a sustainable packaging solution for premium presentation of your produce.

# SUSTAINABLE WITHOUT COMPROMISE ON PRESENTATION

## MARKET TRAYS

**Detpak Market Trays provide a sustainable way to package fresh fruit and vegetable produce and more.**

- Unbleached brown Kraft with an attractive white inside layer, providing strength and creating picture perfect presentation of your food
- Recyclable and compostable so you can recycle straight through Kerbside or commercially compost
- Structurally strong to withstand the rigours of automated packing lines and light condensation from chilled foods
- Board has been 100% ethically and sustainability sourced
- Made of food safe materials and approved for direct food contact
- Hygienically packed in food safe inner bags
- Manufactured in an ISO and BRC accredited facility for your total assurance
