

Detpak

Sustainable solutions
made commercial

We understand your needs. You want sustainable solutions for your packaging. Putting them on your production line, however, can be a challenge.

At Detpak, we have worked with leading produce brands to design & manufacture clever packaging solutions that are sustainably minded. Whether packing by machine or by hand, we have you covered.

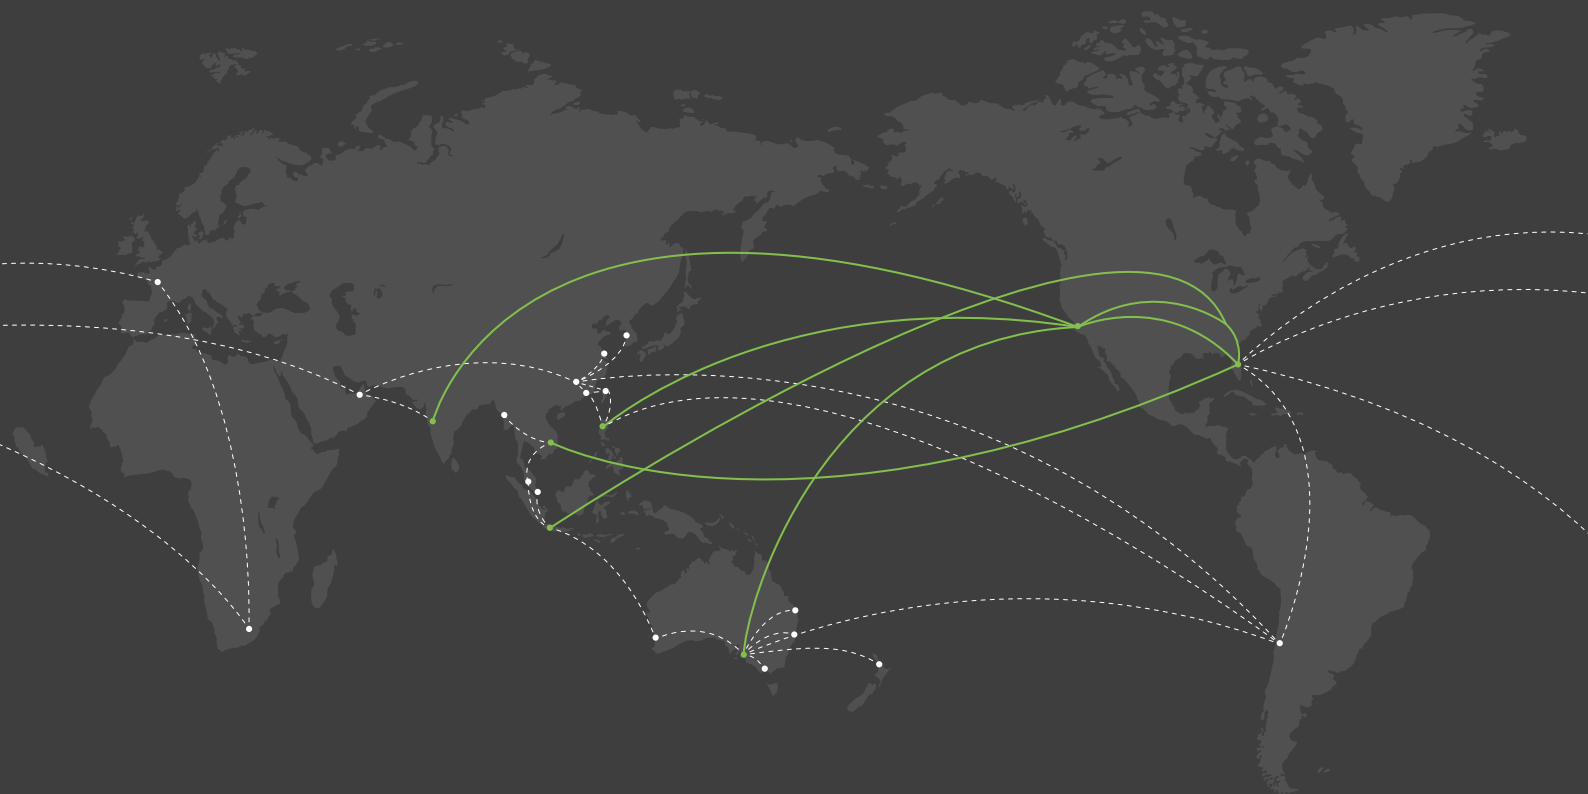

Detpak is a market-leading manufacturer of packaging, specializing in fibre-based solutions. We can find the right solution for you.

A member of the Detmold Group, a family-owned business, we have been in operation for more than 75 years.

Our global footprint, with 7 manufacturing locations worldwide, allows us to mitigate cost, delivering the most efficient production of packaging solutions for our customers.

SUSTAINABLE PACKAGING MADE COMMERCIAL

In the FMCG industry, we understand the pressure around transitioning from plastic to paper packaging and that you need consistent supply of packaging of the highest quality.

Our dedicated FMCG sustainability team works to develop sustainable packaging that gives quality and service assurance which avoids any market impacts before they occur. This is strengthened by Detpak's global production network and manufacturing in seven countries and global sales.
