MAKING BRANDS SHINE SINCE 1948

A close-up photograph of a person's hands pouring coffee. The person is holding a dark, rustic wooden bowl filled with dark coffee beans. They are pouring the beans into a white paper cup that is held over a small fire. The fire is burning in a metal tray, with glowing embers and smoke visible. The background is a blurred outdoor setting with dry grass and a wooden post.

EXPERIENCE THE DETPAK
COFFEE ORIGINS™ CUP GALLERY,
A COLLECTION OF PAPER
HOT CUPS FEATURING VIVID
IMAGERY INSPIRED BY THE
ARCHITECTURE, TEXTILES
AND TRADITIONS OF COFFEE-
PRODUCING NATIONS.

Influenced by the cultures of Peru, the Ivory Coast and Vietnam, three new designs feature on Detpak's range of paper hot cups, available in Smooth Double Wall, Single Wall, and Ripple-Wrap™. Each carton contains a random mix of cup designs, and the range of designs will be updated seasonally.

Appealing to the ethical consumer, a cup from the Detpak Coffee Origins™ Cup Gallery is not just a great-looking way to serve a hot drink, it will bring your customers closer to the origins of their coffee.

THE IVORY COAST'S SECOND LARGEST EXPORT COMMODITY IS COFFEE

The Ivory Coast cup features a deep blue colour, associated with peace and harmony. The design is inspired by the kente cloth of West African cultures.

PERU IS HOME TO MORE THAN 110,000 COFFEE GROWERS

This cup design is inspired by the diverse Peruvian landscapes and the flavours of Peruvian coffees, sweet and bright with medium body.

**VIETNAM IS THE
SECOND LARGEST
COFFEE PRODUCER
IN THE WORLD**

Inspired by Vietnamese woodblock prints, where organic materials are used to make paint, applied to carved wood and pressed onto paper, creating repeated vibrant patterns.

Three young girls with long dark hair, wearing blue patterned dresses, are sitting and smiling. They are holding coffee cup galleries, which are small photo albums shaped like coffee cups. The background is a simple wall with some papers pinned to it.
