

FORMA BUCKET

DELIVERED FLAT AND FORMED INTO A ONE-OF-A KIND BUCKET!

The new Forma Bucket is not only unique, but it can save you money. It is more cost effective than a traditional bucket, and is supplied flat making it 65 – 80% more freight efficient – equating to considerable supply chain savings.

Great for popcorn, fried chicken wings, nuggets, donuts and much more, the unique hexagonal shape is sure to create a point of differentiation for your food. The Forma Bucket is made with grease resistant board ensuring no unsightly stains from greasy foods,

and the vent holes allow steam to escape ensuring your food stays crispy.

The Forma Bucket is very quick and easy to assemble, and the in-built lid means it saves you space and time in store.

Our high quality photographic print capability allows you to create your own custom print for minimum runs starting at 35,000 pieces for 1 – 2 colour prints.
