

# BROWN NAPKIN

---

OUR NAPKINS, MADE EVEN BETTER  
FOR THE ENVIRONMENT!

UNBLEACHED! 100% RECYCLED FIBRES!  
BIODEGRADABLE & COMPOSTABLE!

These features ensure that our brown napkins are the natural choice for anyone conscious of the environment. Unlike other recycled napkins which can be scratchy and weak, Detpak's brown napkins are soft and thick for a premium look and feel.

The stock print from Detpak includes a subtle green 'i am eco™' logo, so your customers will know that both you and the napkin are eco!
