

- THE PRECISION SERIES^{ML}
-

THE CHALLENGE

Baristas find it difficult to achieve a consistent taste experience between in-café and takeaway coffee, due to takeaway cups currently holding significantly larger volumes than in-café cups.

THE SOLUTION

Designed in collaboration with Australian specialty coffee professionals, the Precision Series of takeaway cups allows baristas to easily produce a consistent taste experience by aligning both in-café and takeaway cup sizes.

PRECISION SERIES™

A CONSISTENT TASTE EXPERIENCE

- Designed for the perfect coffee to milk ratio
- Aligned to the in-café cup sizes
- An accurate metric measure of volume.

STREAMLINE FRONT OF HOUSE

- Simplify the barista's task, using a consistent ratio for in-café and takeaway
- Know precisely how much milk and coffee is used
- Reduce milk wastage.

THINK OF THE ENVIRONMENT

- Designed to nest, resulting in reduced raw materials and reduction in carbon footprint
- Available soon with the recyclable, RecycleMe™ lining.
